STUDENT PROFILE — STATE-FUNDED

Type of Student

Attendance

Race/Ethnicity*

African American	11%
Asian	18%
Hispanic/Latino	15%
Native American	4%
Pacific Islander	2%
Other race	4%
White/Caucasian	58%

Gender

Female	50%
Male	50%

Median Age:

24

Family and Finances

Students receiving need-based financial aid in eligible programs	34%
Students who work	49%
Students with children	28%

*May not add up to 100% because students may be counted in more than one race. Percentages calculated on reported value.

POINTS OF INTEREST

Training a Global Workforce

Green River works closely with local employers to design curricula for today's jobs and tomorrow's careers. Our Bachelor of Applied Science (BAS) in Aeronautical Science prepares students for high-paying, high-growth careers in the aviation industry. Graduates help fill a global need for highly-qualified employees in the airline industry. Students receive hands-on experience and industry certifications thanks to partnerships with area flight schools, airports and airlines.

Innovating for Success

Our Information Technology program breaks down barriers for under-represented students by partnering with area K-12 districts, centers of excellence and local tribes. With a grant from the National Science Foundation, faculty developed College in the High School curriculum, providing students access and support toward a successful career in the field. Our IT program was designated as a National Center of Academic Excellence in Cyber Defense Education jointly sponsored by the National Security Agency (NSA) and the Department of Homeland Security (DHS). Implementing an innovative 2+2+2 framework — two years in high school, an associate degree and completion of an IT BAS — Green River is leveraging resources across systems to educate a diverse workforce.

Sustaining Students with Support Programs

Green River provides specialized services to help all students succeed. Students receive free help in math, public speaking and writing from the Tutoring and Resource Center. The Commencement Achievement Program and Outreach and Service-Learning Center provide opportunities that integrate community service with instruction and reflection to enrich learning, civic responsibility and community connections. Student government opportunities within 50 diverse organizations offer 100 to 150 co-curricular events to help students engage, persist and complete. Through our Open Doors program, Green River partners with the Auburn, Tahoma and Kent Districts to re-engage youth and give them a second chance to finish high school or pursue a degree. Recognized as a military-supportive college, Green River provides financial assistance for veterans through the Veterans Education Transition Fund.
