**POINTS OF INTEREST**

**South Puget Sound Community College Feeds the Workforce** For students who are ready to get out into the workforce quickly, our technical certificate and degree programs can be the perfect path. Our Workforce Transitions programs provide financial support to help connect students with a path into a high-demand, high-wage career — right here in Thurston County and beyond. These programs can support:

- Professional technical training (over 30 degrees and certificates available).
- Job skills training to gain specific skills needed for employment.
- Pre-college skills (diploma, GED®, basic skills or ESL) to prepare for career training.

**Direct Transfer and Articulation Agreements** For students looking to transfer to a four-year college or university and beyond, SPSCC offers Direct Transfer Agreements in many areas to ensure students take the classes needed to move into a four-year program. The Associate in Arts (AA), Associate in Business, Early Childhood Education Associate in Arts, Associate in Pre-Nursing, and Associate in Science (AS) degrees (Tracks 1 and 2) are intended to transfer to four-year universities in Washington. SPSCC graduates also have a direct path to bachelor’s degrees at international universities in France, New Zealand, Ireland and England in areas of anthropology, art, biology, business, history, philosophy and politics. Coming soon, students studying humanities and social sciences will have the chance to transfer to a university in Australia.

**Widespread Access to Education** SPSCC maintains a breadth of locations for students to access our outstanding educational opportunities. Aside from the campuses located in the hearts of Olympia and Lacey, the college also provides classes at Yelm High School and the Yelm Extension School, and through online and hybrid courses. Within its four nearby school districts, SPSCC offers classes in 10 disciplines at seven high schools. Online and hybrid courses provide opportunities for students to advance their education and career on their own schedule.
